For more information on our sofas or for a quote for a made to measure sofa please contact our showroom

Please note: The above dimensions are finished upholstery sizes. These are overall sizes including cushion and pad over-hang and feet. Seat heights will vary depending on the type and grade of seat interior and will change with use (cushion settlement). Due to the nature of soft furnishings and the wide range of fabrics / leather we offer, which all have different characteristics, a tolerance of 1" (2.5cm) should be allowed for.
